

NWC Library Portal

Open Source Intelligence Newsletters on the NWC Intranet!

Stay informed with regular updates from the NWC Library's Open Source Intelligence Databases. The **LIBRARY PORTAL** was established to make current information available to you without cluttering your E-mail inbox.

Frequent (in some cases, daily) updates in the portal come from the subscription databases below. To help you navigate, the **PORTAL** is arranged by a **Quick Launch** topic guide. In addition, you are able to create *Alerts* to send automatic news updates from the Library Portal to your e-mail address. If you like, visit often to get the latest information on:

- *Hot Topics*
- *Asia & Pacific*
- *Latin America*
- *Defense News*
- *NWC Library*
- *US Strategies & Policies*
- *Africa*
- *Europe*
- *Middle East*
- *Intelligence Reports*
- *War on Terrorism*
- *Global Issues*

Give the **NWC Library Portal** a try.

Access to the portal is via the **NWC Intranet** under *Research Sources*.

If you are using a computer “on Campus” this link will take you to the **NWC Library Portal**
